# Muhammad Shoaib

Frontend Web Developer | WordPress Expert | Software Engineer | Webflow | E-commerce | Shopify | GHL (GoHighLevel)  
Karachi Division, Sindh, Pakistan

## Summary

I'm a seasoned Senior Frontend Web Developer with over 10 years of experience crafting responsive, high-performance websites and web applications. I specialize in HTML, CSS, JavaScript, PHP, Laravel, and have deep expertise across modern platforms and CMS tools like WordPress, Shopify, Webflow, Wix, Tilda, and GoHighLevel (GHL).

My passion lies in building seamless user experiences, translating designs into clean, scalable code, and collaborating with cross-functional teams to bring digital visions to life. I follow industry best practices, write maintainable code, and deliver projects on time without compromising quality.

Let's connect if you're looking for a creative, detail-driven developer who can bring technical excellence and a problem-solving mindset to your team.
